WARRANTY

Seller warrants to the Ultimate Buyer (the Buyer who buys for use, and not for resale) that all products furnished under this order and which are manufactured by Seller will conform to final specifications, drawings, samples and other written descriptions approved in writing by Seller, and will be free from defects in materials and workmanship. These warranties shall remain in effect for a period of twelve (12) months after delivery to the Ultimate Buyer. But if the Seller installs the equipment or supplies technical direction of installation by contract, said one year shall run from the completion of installation, provided installation is not unreasonably delayed by Ultimate Buyer. Parts replaced or repaired in the warranty period shall carry the unexpired portion of the original warranty. The foregoing in its entirety is subject to the provision that in no case will the total warranty period extend beyond 18 months from date Seller ships equipment from point of manufacture. Systems not utilizing PVC liner and installed by a factory certified technician are not covered under this warranty.

The liability of Seller hereunder is limited to refunding the purchase price, replacing or repairing at Seller's factory or on the job site, each at Seller's option, any Product or part or parts which have been returned to the Seller and which are defective or do not conform to such specifications drawings or other written descriptions; provided that notice is given of a Product defect or such part or parts are returned by the Ultimate Buyer within ninety (90) days after such defect is discovered. Seller shall have the sole right to determine if the Products are to be repaired at the job site or whether they are to be returned to the factory for repair or replacement, or a refund is to be made. All items returned to Seller for repair or replacement must be sent freight, prepaid to its factory. Buyer must obtain Seller's Return Materials Authorization (RMA) prior to returning items. The above conditions must be met if warranty is to be valid. Seller will not be liable for any damage done by unauthorized repair work, unauthorized replacement parts, from any mis-application of the item, or for damage due to accident, abuse, or Act of God.

In no event shall the Seller be liable for loss, damage, or expense directly or indirectly arising from the use of the products, or from any other cause, except as expressly stated in this warranty. Seller will not be liable for any labor subcontracted or performed by Buyer for preparation of warranted item for return to Seller's factory or for preparation work for field repair or replacement.

THIS WARRANTY SHALL BE EXCLUSIVE OF ANY AND ALL OTHER WARRANTIES, EXPRESS OR IMPLIED. SELLER MAKES NO OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING ANY WARRANTY AS TO MERCHANTABILITY OR FITNESS FOR PARTICULAR PURPOSE OR USE. This warranty may be modified only in writing, signed by an officer of the Manufacturer. This warranty shall extend to the Ultimate Buyer but to no one else. Accessories supplied by Seller, but manufactured by others, carry any warranty the manufacturers have made to Seller and which can be passed on to Ultimate Buyer, but Seller makes no warranties with respect to any Products not manufactured by Seller.

Seller makes no warranty with respect to whether the Products sold hereunder infringe any patent, U.S. or foreign, and Buyer represents that any specially ordered products do not infringe any patent. Buyer agrees to indemnify and hold Seller harmless from any liability by virtue of any patent claims arising out of Buyer's purchase of a product conforming to Buyer's specification, or conforming to Buyer's specific design.

Buyer has not relied and shall not rely on any oral representation regarding the Product sold hereunder and any oral representation shall not bind Seller and shall not be part of any warranty.
