

# CPR FIRST AID AND AED FOR ADULT AND CHILD

EnviroGuard Live On-Site Training

## Course Syllabus

### CPR First Aid and AED for Adult and Child

This course is a combined adult, child, and infant CPR and AED program designed specifically for persons who are occupationally required or just desire to have CPR and AED knowledge and skills. The program is based upon the 2010 International Consensus on Cardiopulmonary Resuscitation (CPR) and Emergency Cardiovascular Care (ECC) Science with Treatment Recommendations (CoSTR) and other evidence-based treatment recommendations.

## Course Learning Objectives

Upon completion of this training program, a student will be able to:

- Correctly demonstrate how to perform external chest compressions (for covered ages).
- Correctly demonstrate how to perform rescue breaths using a CPR mask or shield (for covered ages).
- Correctly perform a primary assessment for an unresponsive person.
- Correctly demonstrate CPR as a single provider (for covered ages).
