Q: Do I need to register my EnviroGuard product to receive warranty?

A: Yes. In addition, you will receive additional EnviroGuard Life coverage years in addition to the manufacturer's warranty for 10% pillow replacements.

Q: Will I receive certificates of conformance with my registration?

A: Yes. You will receive the required documents to post on-site or in your files to show the AHJ that you have a system that conforms with testing standards required by Federal, State and Local codes/regulations.

Q: Where do I find the warranty registration number?

A: The 5-digit sales order number sticker may be found on the product packaging and on the product. It may also be found within the product paperwork and packing slip.

Q: May I register more than one product on the form?

A: Yes. You may enter 4 sites/systems. If you have more, simply enter on a separate form.

Existing Systems

Register your product during the product lifecycle.

Register Existing Systems

Q: How do I know if my product has remaining warranty?

A: Register your product regardless of age. Our warranty team will contact you with any remaining warranty or replacement discounts.

Q: May I get EnviroGuard Life coverage on an existing system?

A: The amount of warranty credit is determined by age and condition. When you complete the warranty registration form with photo uploads, we can determine if we can offer you extended service.

Q: Who do I contact for additional questions regarding warranty?

A: Call 800-206-9884 and ask for the Warranty Administrator.
